Gregor-Mendel-Day Celebration 2025

Kick-off Meeting of the *Humangenom Austria* Project

March 7th 2025, 13:00 – 17:00

Lecture Hall Genetics and Pharmacology, Medical University Innsbruck,
Peter-Mayr-Str. 1, 6020 Innsbruck, Austria

13:00 – Welcome and opening remarks

13:30 Johannes Zschocke
Institute for Human Genetics, Medical University of Innsbruck

Wolfgang Fleischhacker
President, Medical University of Innsbruck

Josef Smolle
*President emeritus, Medical University of Graz
Member of Parliament a.D.*

13:30 – Genome of Europe

14:00 André Uitterlinden
*Genome of Europe Coordinator, Erasmus MC
Rotterdam*

14:00 – GENOMES IN MEDICINE AND SOCIETY

14:45 Experiences from Genom Austria 2014-2017

Christoph Bock
*CeMM Research Center for Molecular
Medicine & Medical University of Vienna*

Genomes in rare diseases

Paul Dremsek
*Institute for Medical Genetics, Medical
University of Vienna*

Genomes in oncology

Ellen Heitzer
*Institute for Human Genetics, Medical
University of Graz*

**Short-read and long-read genome
sequencing**

Martina Witsch-Baumgartner
*Institute for Human Genetics, Medical
University of Innsbruck*

14:45 – Break

15:15

15:15 – Genome analysis infrastructure in France

15:45 Alban Lermine
*Director of BNDMR, MOABI-APHP and SeqOIA,
Paris*

15:45 – THE HUMANGENOM AUSTRIA PROJECT

16:30 Genome analysis infrastructure
Vincent Beliveau

*Institute for Human Genetics, Medical
University of Innsbruck*

GenKom – enhancing communication

Markus Keller
*Institute for Human Genetics, Medical
University of Innsbruck*

Undiagnosed Disease Program

Ursula Unterberger
Orphanet Austria, Medical University of Vienna

Ethical, legal and societal aspects

Michaela Th. Mayrhofer
*Institute for Human Genetics, Medical
University of Innsbruck*

**16:30 – Integration of genome analysis and
clinical data**

Peter Krawitz
*Institute for Genomic Statistics and
Bioinformatics, University of Bonn*

17:00 – Reception

18:00
